To a man of the movie world. Things are looking pretty good for you in the future, with basketball and all. This summer I'll sip past you in my Volkswagen and you'll eat me up with your GTO. Play your cards right and you'll be a star, (like me, I hope).

Terry,

Had a great time doing Geometry in German Class, ^{and} German in English. So bad you were in Chemistry this ^{year} so there would be a complete mess of homework.

Good luck next is a varsity center

Bryan "74"

P.S. We survived miss Studenka what a struggle

Terry-

What a smart kid. We had fun laughing at Boron's dumb comments. Good Luck in the Future Life

Terry,

As I told Bob I'll tell you, remember girls are better than boys and don't you forget it. Seriously, you guys are all really smart and you'll go far. I'm just glad I could make it through. Have fun this summer and I'll see you next year. Terry Johnson

Thank,
It's been
real fun in English
this year, as you said
some real funny stuff to
some of those student teachers!
Hope to see you next year on this
summer! I'll always!

"Autumn Haze"

On October 30, the stands were crowded with students and alumni, all awaiting Bowsher's tenth annual Homecoming. Devilbiss scored early and held their lead throughout the game, with the Rebels scoring their only touchdown in the final seconds. The half-time activity was highlighted with the crowning of the 1971 Homecoming Queen. Mary Ann Loucks was crowned by last year's queen, Janet Grimm, and escorted by Gail Rice. Her court consisted of Carolyn Hochmuth, Lynn Piorerek, Betsy Smith, and Bonnie Zawodny. Nine of the past ten queens revisited Bowsher for the occasion. They were Anne Moore (1962), Carolyn Krause (1963), Cyndi Sloan (1964), Judy Harper (1965), Shari Dukes (1966), Amy Kopfman (1967), Ann Hersland (1968), Randi Roberts (1969), and Janet Grimm (1970). In float competition, the seniors came in first with the theme "Head 'Em Off." Queen Mary Ann reigned over the dance, "Autumn Haze," that was held in the cafeteria that evening.

Zawodny, queen Mary Ann Loucks, Carolyn Hochmuth, and Betsy Smith.

The cast consisted of Ron Fournier, Marsha Goetting, Kevin Kandik, Andy Klein, Bill Orwick, Sue Vick, Doug Lucas, Gayle Stanton, Carol Beaverson, Brent Nicholson, Carol Sinkey, and Jim Paulson.

Any Number Can Die

With only four weeks of preparation, the Junior Class produced its first play, *Any Number Can Die*. The twelve cast members made their debut on April second and third, under the direction of Jim Kellet and advisors, Miss Mary Sheets and Mrs. Laurina Morrison.

The comedy-mystery was a take off of the mystery plays of the late Twenties. Set in 1928, the play involved the recovery of a lost fortune, but took many twists before the fortune was found. The discovery was delayed by the appearance of a mysterious hooded figure, three ingenious murders, the classic storm, and some unexpected arrivals. Two elderly detectives set out to solve the case. Hannibal Hix (Brent Nicholson), and Agatha Winters (Carol Beaverson). At the conclusion of the play, they solved the riddle and recovered the fortune behind a secret panel. The culprit, Roger Masters (Andy Klein), was arrested, and the lovers, Carter (Doug Lucas) and Sally (Gayle Stanton) were betrothed.

Cotter Vocational Program marks second year

ROW 1: Mat Nowakowski, Jerry Kmotorka, Dave Friess, Doug Barris, Gary Sniegowski, Doug Deszell. ROW 2: Mark Sherwin, Dave Siravo, Pat Stamm, Bruce Herman, Chris Waite, and Mark Shafer.

Cotter is a vocational school started in September of 1969, because the Toledo Board of Education thought that young men needed training in carpentry, masonry, and industrial maintenance. It is a two year program and the members do the work of an actual apprentice. After graduation they are made apprentices within their area of concentration.

Applicants for the program should have an interest in in-

dustrial trades, be 16 years of age, have at least a junior class rank in high school, and an accumulation of six credits.

Bowsher has 17 students presently attending the school. Juniors attend from 8:35 a.m. till 11:25 and seniors from 12:10 till 2:55 p.m. Gary Sniegowski from Bowsher is the president of the Toledo area seniors attending the school.

"Secret Society" rouses spirit

The prime function of Bowsher's "Secret Spirit" is to promote school spirit; to get the students to support their school. These Spirits, dressed in silly costumes, take their job very seriously. They work at night making signs and putting them up; supporting athletic contests, school programs and activities. The Secret Spirits also recognize outstanding services provided for the school by the administration, the faculty, and the coaching and janitorial staffs. The Society is presently trying to start a "Teacher of the Week" program to give special attention and recognition to one teacher every week. The society has twelve members this year. "Spirit" advisor is Mr. James Vogelsang.

"All Aboard"

On board the oceanliner, the S. S. Bess, the 1971 production of *Rebellees* took place. Aunt Gertrude (Chavonne Goolsby), Jody (Peggy Rimer), and Beth (Jennic Doriot) were all headed for France to reunite Beth and a childhood playmate, Scotty (Mark Howell). Gertrude had the whole trip planned and was very dismayed when Beth started to show interest in a stowaway on board ship. Not that the stowaway didn't care for Beth, but he was also interested in Aunt Gertrude's ring. The plot revolves around the ring, the curse that an old family diary claims is on it, and how the stowaways intend to steal it.

Included also for entertainment on the voyage were the talent acts. The junior and senior Rebellettes were also in the spotlight. Miss Papps, student director, Eric Enis, and general chairman JoAnne Bailey, helped to obtain a winning performance. The stage technicalities were handled by Mr. James Burns and Russ Miley.

Songs and Sleighbells

The first snow of the year arrived just in time for Bowsher's annual winter dance, "Songs and Sleighbells." Co-sponsored by the Senior Class and Student-Council, the couples attending danced to the music of the "Highlighters." Softly lit by candles, the cafeteria was transformed into a winter scene with greens, tinsel, and a sleigh.

Debbie Ash was crowned 1971 Snow Queen by last year's queen, Cheryl Moan. Included in the court were attendants from each class; Julie Zimmer, freshman; Eileen Perry, sophomore; Chris Tamlyn, junior; and Nancy Abodeely, senior. Queen Debbie escorted by Tom Aberl, reigned over the dance.

The Royal Court included Bob Krist, Nancy Abodeely, Julie Zimmer, John Forshey, Debbie Ash, Paul Jaehn, Eileen Perry, Jerry Pilewski, Chris Tamlyn.

No Mother to Guide Her or More to Be Pitied Than Censured

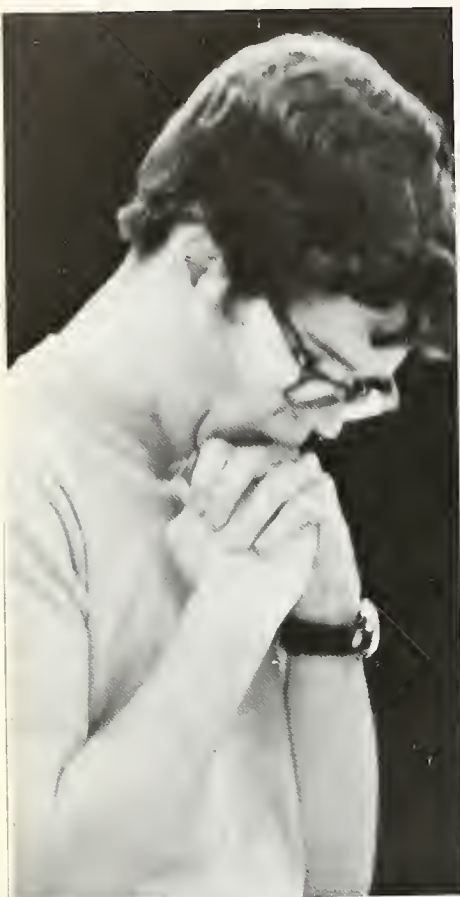

SEATED: Brent Nicholson, Carol Beaverson, Jackie Tocco, Andy Klein. STANDING: Darrell Holt, Cay Frobase, Judy Meyer, Steve Starkloff, Becky Day, Rich Lininger, Carol Sinkey, Sandy Youngs, and Chris Rudey.

The Senior Class selected a different type of play this year, the first of its kind to be presented on Bowsher's stage. The play, *No Mother to Guide Her; or More to be Pitied Than Censured*, was an oldtime melodrama. Situated in a stately mansion in the late 1800's, the set was done in rose wallpaper with heavy old-fashioned furniture. The heroine, Becky Day, wore a long, fluffy pinafore and the evil villain, Andy Klein, a long black cape with a scarlet lining in which he covered when challenged by the hero, Rich Lininger. The two pianos, played by Becky Spoerl and Carol Swift, intensified the mock-serious mood of the play. The melodrama stressed audience participation in the form of booing the villain and cheering the hero, and the audiences in Bowsher's auditorium readily complied. Student director of the play was Jim Kellet, and the co-advisors were Miss Mary Jim Sheets and Mrs. Laurina Morrison.

ROW 1: Janna Spang, Marsha Tillman, Jan Jacobs, Jim Vernier, Joanne Leech. ROW 2: Jan Sohikian, Pam Hepner, Doug Barris, Jay Jakubowski, Tom Hagood, Carol Werth, Leonard Tolson, Pat Conson, Mark McGovern. ROW 3: Chris Potts, John Zidarín, Jeri Maines, Mike Smith, Ann Frisk, Chavonne Goolsby, Mark Howell, and Cathy Martin.

Everybody's Crazy

Using a futuristic setting, the Junior Class presented Jay Tobias' *Everybody's Crazy* on February 25 and 26. They moved the play to the year 2252 on the planet "Orta." To achieve this atmosphere, the set was designed with florescent paint and black lights; the characters wore body stockings, bright imaginative costumes, psychedelic makeup, and "space age" hairstyles.

The play concerned three college students, Herbert Stanley (Jay Jakabowski), Tommy Wilkins (Leonard Tolson), and Elmer Sneed (Mark McGovern), who bought an old hotel and circulated fantastic tales about it to solicit guests. Their stories attracted various types of guests, from a nervous hypochondriac to an old bachelor who had nightmares.

Helping shape the play were Student Directors Cathy Martin and Mark Howell, advisors Mrs. Laurina Morrison and Miss Mary Jim Sheets, Mrs. Carolyn Goforth, student teachers Pat Masters and Marjorie Readinger, and stage crew members Vince Davis, Chris Potts, and Mike Smith.

THE STEERING COMMITTEE: Doris Schreiber, Chris Rudey, Debbie Biniker, Marsha Goetting, Gay Frobose, Frank Martin, Arne Hurkey, Nancy Cook, and Barb Pasch. ABSENT: Mary Ann Rhoades, Kathy Marola, David Bowes, Linda Cowley, Debbie Dethin.

REBELEES 1972

What's Brewing?

The 1972 student production of *Rebelees, What's Brewing?*, became "intriguingly complicated," beginning with the entrance of two young rogues who had been traveling through Europe. Quite by accident, these fellows found themselves in a tangle of events arising from the Keischler Brewing Company — events intertwined with romance and festival excitement.

Student Director Brent Nicholson, General Chairman Carol Sinkey, and Technical Director Bob Hay were aided by advisors Mr. James Burns and Miss Elizabeth Papps. The 1972 Rebelettes kicked to "Applause," and were guided by choreographer Debbie Pierce and her assistant, Bonnie Zawodny.

The dramatic cast included Meg Sandys, Kathy Alter, Su Turney, Norm Wingate, Ann Wetherill, Kevin McGovern, Marsha Goetting, Bob Dearing, Mary Piocrowski, Max Verstraeten, Ann Lochrke, Darrell Holt, Sue Sanders, Jim Kellet. ABSENT: Richard Kasch, Mark McGovern, Colleen Crippen, Carol Beaverson, Becky Hartman, Tom Hagood.

Students who wrote the script are Polly Brasser, Cay Frobose, Carol Swift, Cathy Campbell, Brent Nicholson, Kay Wilusz, Chris Rudey, Jackie Tocco, Carol Sinkey, (Vicki Runkle, David Bowes, Becky Day — ABSENT).

Girls' Tennis and Basketball Acquire Varsity Status

VARSITY FOOTBALL

After a disappointing season, the 1971 Bowsher football team finished strong by defeating Central Catholic High School. The Rebels also retained possession of "the Drum" as the gridders dominated the battle against Start winning 16-7. All City honors went to seniors John Boles, Dan Brown, Mark Albright, Scott Howland, Bob Krist and juniors Jerry Pilewski, Bob Hendricks and Dave Baymiller. Members of the Scholastic Team were seniors John Boles and Mark Albright.

FRESHMAN AND JUNIOR VARSITY FOOTBALL

The Freshman Football Team under Coach Gil Short's leadership held the city championship title for their second consecutive year. The Little Rebels remained undefeated and ran up a 7-0 record. Mr. Short's freshman teams have never been defeated in the last two years.

The Junior Varsity gridders under Coach Tom Rousch had a trying season after capturing the city championship as freshmen. Several of the losses, however, were decided with only seconds remaining. If the players can rally — next year's season should prove more impressive.

GIRL'S VARSITY TENNIS

The 1971-72 girl's Varsity Tennis Team was lead by the strength of Senior Mary Beth Yosses. The team suffered somewhat however, because of the inexperience of many of its members. The ability of Freshman Ann Wetherill should provide incentive for next year's team.

VARSITY BASKETBALL

Dean Moffett's Rebel Roundballers accumulated a total of 3 victories in 17 starts last winter. The young lineup included two sophomores Terry McClean and Kevin Reilly. Mr. Moffet hopes the starting sophomores and a strong Junior Varsity team will provide the depth and strength for next year's team.

JUNIOR VARSITY BASKETBALL

Despite the loss of two players to the varsity squad and numerous injuries this season, the J.V. basketball team posted a 9-8 record. Their experience should enable them to improve the Varsity's record next year.

FRESHMAN BASKETBALL

The Freshman Basketball Team carved out a 5-9 record in the 1971-72 season. Four of their losses, however, were the result of a ten point margin by the opponents. Coach Johnson had a very balanced squad. Starting different lineups every game, he substituted players freely. The Freshmen also participated in a tournament at Whitmer losing their second game by only one point in overtime.

TENNIS

Coach Tom Rousch, aided by senior captain Mike Dinardo led the 1971 Rebel netters to a 9-6 record. Craig Christian placed second in the city in second singles. The Rebels duplicated their 1970 city league record by again placing fourth. Mike and Craig finished third in the district tournament in doubles.

GIRLS' BASKETBALL

The "72" season for Girls' Varsity Basketball proved to be a most exciting year for the young sport. The highlight of the season was the confrontation with Central Catholic High School. After a spirited first half, Central was able to control the ball in the final seconds and squeezed out a narrow victory. The senior captains Jan Mowka and Mary Misavage led the Rebelette Roundballers to a winning season.

BASEBALL

Seniors Chris Fisher and Keith Lowe, who led the Rebel baseball team, were also top hitters in the city league. Seven seniors provided experience but with the returning potential of Jeff Kneisley and Paul Jaehn, next year's team will hope to better the 9-8 record of the 70-71 season. The three returning pitchers will include the team's only seniors Nick LaPorte and John Mandler.

TRACK

Coach Ron Schlievert's Varsity Track Team compiled a 5-2 record in 1971. The Seniors led the team in gaining points as Rob Ludeman received the trophy for most valuable member. A varsity record was set in the 880 yard relay and mile relay by T. Hersland, J. Phillips, R. Ludeman, and K. Pezzin. The 2 mile run record was established by Mark Walton and the 440 yard relay was set by M. Miller, J. Phillips, R. Ludeman, and K. Pezzin.

The highlight of the freshman track season was Tom Fauble's new record in the 1 mile run. Fauble received a trophy for the most valuable freshman.

WRESTLING

The 1971-72 Bowsher Grapplers compiled a fine 7-2 record under coaches Schlievert and Flanagan. Their season was highlighted by the first dual meet victory over Rogers in Rebel history. The Rebels finished fourth in the first annual Bowsher Invitational Tournament and also fourth in the City League Tournament. City Championships were won by juniors Dave Hendricks and by Sam Rayner. Sam was voted the outstanding wrestler in the city tournament.

CROSS COUNTRY

Underclassmen paced the 1971 harriers to a 6-7 season under first year coach Bob Parks. It was a young team with only two seniors, Tom Trumbull and Les Adams. The leading runners were sophomores Tom Grolle and Tom Fauble. This was a rebuilding year and coach Parks expects a city championship team in future years.

GOLF

The 1971 Rebel linksters were led by All-City members Mark Jorris (1st team) Chris Flick (2nd team) and Brad Flick (honorable mention). Jorris was the city League medalist and received the Mel Woelfling Award as the league's outstanding golfer. The Golfers finished 3rd in the city and 5th in the district as well as compiling an 11-7 season.

HOCKEY

Even though this is only the second year for the Hockey club, the Rebel icers were successful in creating a dynamic team. The icers showed their strength early in the season and were able to maintain their power. The two senior standouts on the team were Craig Connor and Don Ramsey; Craig Connor led the Rebels in goals.

On this, the tenth anniversary of Bowsher High School it is fitting that we honor a man who has been described as an "educational statesman, an astute politician, a man with a wonderful sense of humor, and a man unique in the way he thinks about problems." This man, E. L. Bowsher, served as superintendent of area schools for forty-three years, the last twenty of them in the Toledo System. In 1958 he resigned as Superintendent here and became secretary-manager of the Toledo Automobile Club. Now retired, he has said that his greatest honor came in October, 1962, when this high school was dedicated in his honor. We, too, feel honored in expressing our grateful appreciation to the educator, the statesman, the man.

Our library demonstrates good faculty-student and student-faculty relations and is one of the most important educational tools here at Bowsher. The library must utilize its every resource to keep up with the growing needs of student and faculty members.

The recommendations of the North Central Association this year reflect this awareness and concern about the future of the library. These recommendations included more space and furniture (i.e. reading, listening and viewing rooms) to accommodate more people, the use of para-professionals to lessen the burden of the librarian, the purchase of text-films and more books, carpeting, light control, and the centralization of the library and audio-visual equipment. It is hoped that these changes would decrease the "study hall" atmosphere of the library and make it more of an educational media or learning center.

DON'T SELL BUSINESS SHORT

You hear a lot of talk these days about the business world being a pretty dull, humdrum place. Some say it offers no really meaningful challenges. No opportunities for individual expression. Law, medicine or the Peace Corps perhaps. But not business.

Don't you believe it. American business today is a highly demanding institution. With plenty of room for personal contribution and growth. And if you feel strongly about man's social responsibility—business offers a unique opportunity for self-expression in this area, too.

Most likely you have further schooling ahead of you. But that day of decision on your long-term future is coming sooner than you realize. If when it arrives you've established a record of good grades and participation in extracurricular activities—think seriously about the rewards of a career in business—with us.

OWENS-ILLINOIS

Fiberglas cord is making tracks.

These tough glass fibers from Owens-Corning add safety and performance to tires on most new Detroit cars. They form the fabric that protects Apollo space suits from temperature and fire.

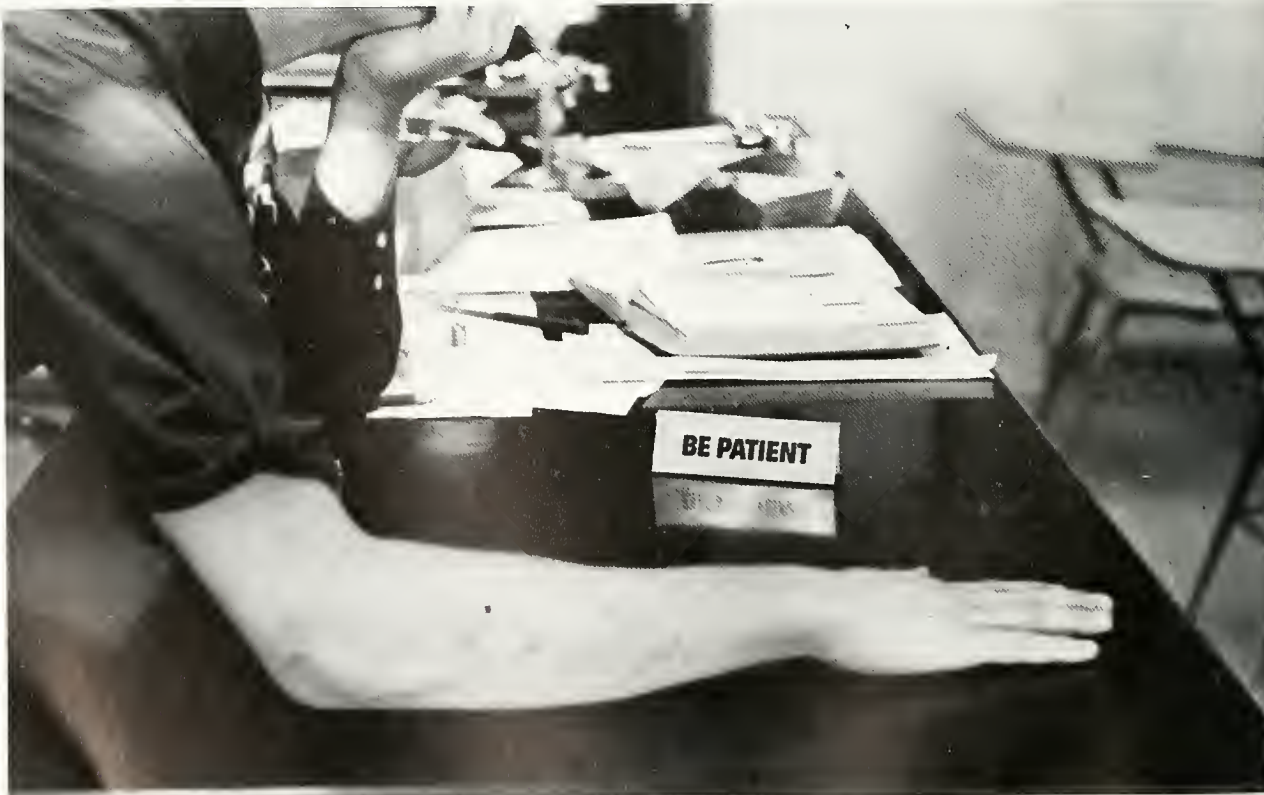

And Fiberglas* reinforcements put strength and durability into a majority of pleasure-boat hulls built today. In fact, it's estimated there are more than 33,000 ways Fiberglas materials can profitably replace metals, wood or cloth. They're already in many of these uses right now, moving fast into others.

Your career could make tracks at Owens-Corning too. There are hundreds of opportunities. For information, write us: Owens-Corning Fiberglas Corporation, Fiberglas Tower, Toledo, Ohio 43659

The Day is short, the Work great, the Workmen lazy, the Wages high, the Master urgeth: Up, then and be doing. Idleness is the Dead Sea, that swallows all Virtues. Be active in Business, that Temptation may miss her Aim; The bird that sits, is easily shot.

— Benjamin Franklin

"Life is mostly froth and bubble. Yet two things stand like stone, Kindness in another's trouble, Courage in your own."

Ein Freiheitslied

Es ist nun einmal so,
seit wir geboren sind:
die Blumen blühen, wild und bunt,
wir aber mauern Wände gegen den Wind.

Es wird wohl einmal sein,
wenn wir gestorben sind:
dann blühen die Blumen noch immer so,
und unsre Mauern
lacht der Wind.

I am very grateful to the many people who helped me with the 1972 *Apogee*. I owe special thanks to our advisor, Mrs. Cheryl Waters, Mr. George Miley, Mr. Edmond Boblitt, and Mrs. Kay Moore. Also I must include those who assisted with the photography for this year's *Apogee*, H. A. Powell's Studios, Reflections, Mr. Dave Miller, Mr. and Mrs. Joan Goforth and Dan McCall. The professional advice of Mr. William Day and Mr. Bruce Simmer of *The Blade* and of Mr. John Blinn, the advisor of Roger's High School yearbook, was also greatly appreciated.

Ferry,

I was thinking about
billing you for the homework
and tests you've copied off me
but I couldn't add that high.
Just kidding, actually you're
a great guy. Have fun this
summer and Good Luck.

You have to be the
smartest kid that I know.
You have it made. You
are great in sports and
get the best grades in
school. Believe me you
will go far in this world.
It was fun in physiology
this year you showed
your skill and your
greatness. I hope to
be your friend.
